

SUMMER DAY PROGRAM

Let your special needs child enjoy the wonders of summer and meet new friends at the Casa Colina Children's Services Center Summer Day Program!

Our Summer Day Program provides a welcoming setting where kids of all ages with varying disabilities can enjoy adaptive and sensory activities, arts, crafts, and games while developing new social skills. These weekly sessions are staffed by licensed physical, occupational, and/or speech therapists.

Parents may sign up for as many or as few sessions as they would like their child to attend. If the child requires one-on-one support, a parent or behavior therapist may accompany them.

Participants are grouped by age. We accept a maximum of 9 children per session. All activities take place from 9:30 - 11:30 a.m., Monday through Thursday at the Children's Services Center on our Pomona campus.

We hope to see you at any or all of the following Summer Day Program sessions:

- ◆ Session 1: 7/11 - 7/15/22
- ◆ Session 2: 7/18 - 7/22/22
- ◆ Session 3: 7/25 - 7/29/22
- ◆ Session 4: 8/1 - 8/5/22

This program accepts payment from most insurances and Medi-Cal. For more information, please contact Teri Andres at 909/596-7733, ext. 4200 or tandres@casacolina.org.
