

# Free Hearing Screenings

at the Casa Colina Audiology Center.

**W**e may be able to help you and your loved ones hear better.

Casa Colina is offering free hearing screenings conducted by a certified and licensed audiologist.

This free service is available to everyone, from newborns to seniors, at our Audiology Center located in the Tamkin Outpatient Center.

We welcome referrals from physicians, individuals and/or their family members. And if treatment is recommended, we accept most insurance providers, including Medicare and Medi-Cal. Isn't it time you discovered what options are available to help your family's hearing?

**At the Casa Colina Audiology Center, patients will benefit from:**

- Full-size double-walled sound booth for accurate test results
- State-of-the-art diagnostic evaluations for infants, children and adults
- Middle-ear evaluations
- Hearing aid evaluation and dispensing, including digital hearing aid technology from a variety of manufacturers
- Hearing aid modification laboratory with tools for on-the-spot adjustment and minor repairs
- Evaluation of central auditory processing disorders

**For more information or to schedule an appointment, please call 909/450-0304.**
